

Lower Your Tuition While You Shop

What is SCRIP?

SCRIP is an easy way to generate tuition credit for your DMCS or BA student while at the same time generating funds for our school. Great Lakes Scrip Center is able to purchase gift certificates at a reduced rate and sell them to us below face value. When you purchase these gift cards we are able to pass the savings on to you in the form of TRIP credit (tuition reduction incentive program).

Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using Scrip to pay for your normal weekly purchases, you can easily

raise \$500 or more per year. It's time to put your shopping dollars to work for you!

Last year the amount of tuition credit raised by our families ranged between \$20.³⁰ and \$1,928.⁷⁶ How much a family earns depends widely on their shopping habits and the number of friends and family that are buying Scrip in their name. The average family earns between \$250 and \$500 credit for tuition. That \$250 to \$500 is money they have already spent on their family living and it is working for them again in the form of their child/ren's tuition.
