

DMCS Newsletter February 8, 2019

Dear Parents-

I know it is hard to believe, but I am getting tired of the "It's STILL Snowing" Day! I really can't believe the weather, and I never remember this many snow days in a two-week period. History in the making, I guess.

There are many things that have been rescheduled due to the uncooperative weather the past two weeks. Please mark your calendars for these dates:

Jesus Food Pack:

The pack has been rescheduled for Wednesday, March 6th (Ash Wednesday) after Mass.

Catholic Schools' Week Field Trips:

Teachers are working to reschedule these for Thursday, March 14th. Please pay attention to their communications in order to be up-to-date on the plans.

Care and Share Dress Down Day:

Our dress down for Jesus Food has been rescheduled for next Thursday, February 14th.

Open House:

Our open house for prospective families has been rescheduled for Tuesday, February 12th. Please spread the word.

Mass with Archbishop Hebda:

We are trying to reschedule the Mass that was scheduled for today. I will keep you updated as I hear anything.

Tuition and Fees have been set for next year. Please see the information attached to the newsletter for details. As we begin to look at enrollment for next year, I wanted to make sure all current families understand that students registered this year will be automatically enrolled for next year. There is nothing you need to do to register. You do, however, need to fill out a Financial Aid application through TADS to be considered

Please remember DMCS in your will.

for financial assistance. Many organizations that contribute to our aid pool have early completion dates. You do not need to wait for your taxes to be completed. You can use last year's information to apply. If you hope to get financial assistance next year, a TADS financial aid application must be completed. Financial Aid will be awarded and letters will be sent out to families early in the spring. Please contact Ginger Van Hecke with any questions.

If you have a new student to enroll, our online system is open and ready to accept applications. Click the link on our website to access this. We appreciate your help in spreading the word.

The Catholic United Financial Raffle is still in progress. Please sell your family's tickets to help us reach our goal of buying new tables for the cafeteria. We need your support! Every dollar raised stays at our school!

Thank you!

Gina Ashley

*"The purpose of my instruction is that all believers would be filled with love that comes from a pure heart, a clear conscience, and genuine faith."
1 Timothy 1:5*
