

DMCS eNewsletter February 27, 2020

Dear Parents-

Forty days of Lent began yesterday with Ash Wednesday. As we wait in anticipation for Easter, we also wait for Spring. This time of year is the last blast of winter before we again see and feel the warmth of the sun. We wait and we hope. I know the patrols and I are really looking forward to it!

March is certainly shaping up to be a busy month. Spring conferences are next week on the evenings of March 3rd and 5th. You can sign up for a time slot to visit with your child's teacher through Signup Genius. I am usually available during the evenings of conferences, but this spring I will be attending the Catholic Schools' Center of Excellence Leadership Conference from Tuesday, March 3rd through Thursday, March 5th and will not be available those nights. I look forward to meeting with administrators from the other schools in the Archdiocese, listening to our bishop and Archbishop, and learning. Feel free to reach out through an email or phone call if you would like to contact me. My door is always open and I am happy to help in any way that I can.

Please mark your calendars for Spring Break! Monday, March 9th through Friday, March 13th is our scheduled break this year. I hope you enjoy this time with your family. It is a well-deserved

break from routine and a great chance to rest up before the last push of the school year.

After we return from break on March 16th, snow pants and boots are no longer required on the playground. However, please pay attention to the weather and send what is needed for students on the playground. Our playground stays wet for quite a while and I recommend boots and snow pants for younger children until it dries up. They will save you stains on clothes!

Our Spring Gala is coming up on March 20th. This event raises money to support our scholarship programs and is aptly called Scholarship Night. This year, our theme is Vision of Hope 2020. I encourage you to attend and enjoy an evening with other supporters of Divine Mercy Catholic School. There will be a live auction, wine wall, heads and tails, and delicious food. It would be great to see you there.

Look for information on summer programming coming home soon. We will be running summer care programs for preschool and school aged children all summer long. If you are looking for child care this summer, we might have what you need!

Enjoy your weekend!
