

DIVINE MERCY

CATHOLIC SCHOOL

Dear Parents-

The challenge that the Coronavirus has presented to all of us is unprecedented. All of us are scrambling to develop plans for a future reality we have no idea about. With this in mind the entire staff of Divine Mercy Catholic School and I will be meeting tomorrow morning to lay our plans for the next few weeks. We will work to be responsive to our Governor's requests and to provide options for distance/flexible learning for our students. We understand that these situations are not ideal and that they cannot replace the school experience for your child. We can only promise to do our best.

We will be sending out detailed plans to you by the end of the day tomorrow. These will include our process for you to come and gather your students belongings, books, and academic supplies. Our e-learning/flexible learning will not begin until Wednesday, March 18th.

Until then know that we hold all of you in our prayers. It is my sincere hope that after this brief period of quarantine, we will be back together again.

In Christ,

Gina Ashley
