

DMCS Summer eNewsletter July 30, 2020

Dear Parents-

The Governor's announcement this afternoon was good news to me. As I await direction from the Archdiocese, and further unpack the guidance issued today, I am encouraged. The task force that has been working for the last few weeks to develop a plan to open up to face-to-face learning this Fall has developed guidelines and expectations that tick all the boxes asked for by the Governor and his staff today. It is our goal to serve our students and families in the best way possible while mitigating the risks of COVID-19, and it looks like we will be able to do that. Watch for more from me coming soon!

The details of our Fall 2020 PPRP have been finalized. We will be sending it out next week on Thursday, August 6th. Once it is communicated, you will be able to make the decision for your family. We need to hear the final decision from you by Thursday, August 13th so that we can make enrollment decisions for the 2020-2021 school year. We will be making calls to families that have not completed their agreements, filled out a survey, or communicated with us. We have had people reaching out looking at potential enrollment in our school and we need to get that information. I understand the many complexities in this issue and pledge to work with each family to help in any way that I can. We want to be able to serve you and your child. Please reach out to us to talk through any issues or questions. If you haven't filled out the survey and would like to, here is the link: <https://www.surveymonkey.com/r/QZLMRBJ>

We will be having our gently used uniform clothing exchange over the next few weeks. We ask that people drop off any items in the main school office by this coming Wednesday, August 5th. The office is open Monday through Thursday between the hours of 7:30-3:30. We will open for people to come and look at the clothing on Monday, August 10th. (masks are required in the building.)

May you and your family find a few moments to squeeze the last few drops of sun from the month of July.

God's blessings to you!

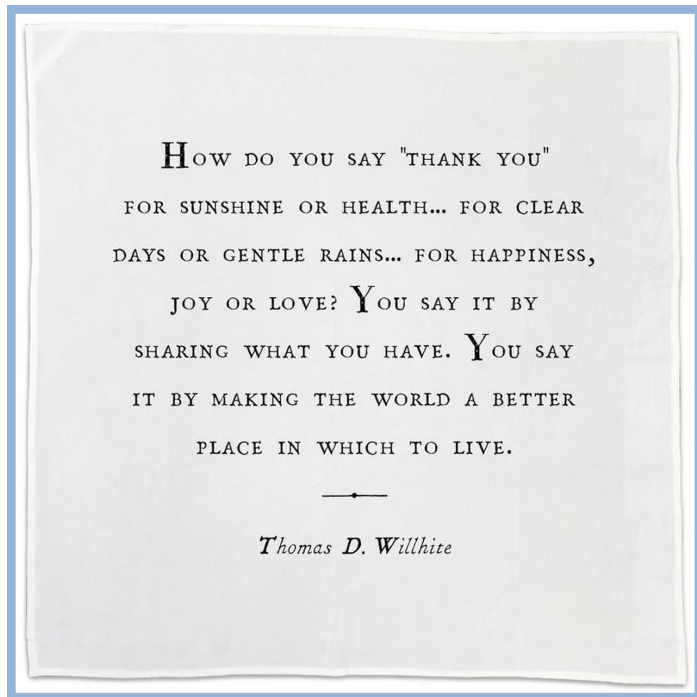

Mrs. Ashley

I can do all things through Christ who strengthens me.
