

## DMCS eNewsletter September 24, 2020

Dear Parents-

Can you believe the end of September is days away? So far things are going well, and I finally feel like we are hitting a groove. I hope the schedule has settled in for you and your family as well. I am certain there will be some bumps in the road ahead, but I am so grateful for our solid start. I appreciate everything you are doing to help keep us healthy and in-person!

Tomorrow, Friday, September 25<sup>th</sup> is Dress Code Reward Day. Students can be out of dress code and in choice attire for the day. Please review the guidelines for dress down days with the dress code policy in the parent/student handbook. Thank you!

MEA break is quickly approaching. There is no school on October 14<sup>th</sup> through October 16<sup>th</sup>. There will be some care programs offered through our preschool and school age childcare programs. More information on this is available through those program coordinators.

Spooktacular is right around the corner! We will be hosting our annual 5K run/walk and kids' dashes on Saturday, October 10<sup>th</sup>. There will be a virtual and in-person option. This event is one of our main fund-raisers of the year. We need your help to continue to keep tuition costs low. Please work to get 8 people registered for your family team and make your goal of \$200.00 per family. If we reach the school goal of \$15,000.00 we will reward our students with a Pajama Day! See the included flyer for more information.

Trunk-or-Treat will be held this year in a drive through format! We have secured the use of the Rice County Fair Grounds to host the greatest Trunk-or-Treat yet. Mark your calendars for October 31<sup>st</sup> from 4-6PM. Plan to dress up and drive through our trick-or-treating experience. We can't wait!

The long-term forecast is predicting some colder weather. Please think about outside play time when you are sending your child to school each day. We will go out for recess unless the temperature or windchill is below zero. It is good practice to get in the habit of sending outside gear before the weather becomes severe. We know the cold and snow will come eventually.

Have a wonderful weekend!

Blessings to you-

Mrs. Ashley

PK-V Half Day class all dressed up for Picture Day this week, on a beautiful Autumn Day. They were very excited and many giggles were had on how to smile versus a very silly face for the camera. We had our first library trip to the big DMCS school following Covid guidelines and keeping our books in our cubbies. They felt very proud and thankful for being able to the *big* school. Thankful Thursday !
