Thank you for all of your prayers for the discernment of a capital campaign to build a new educational facility for our church community. The decision has been made to move for-

ward. Please continue to pray for us as we begin this process. Our students, staff, and community will benefit greatly from a new facility and I would love to see this dream finally come to fulfillment. Your prayers and support are greatly appreciated and needed.

Enrollment continues to go really well. We are set to grow enrollment for next year and we are excited to see this. Continue to spread the word that we are taking registrations in all classes.

Blessings-

Mrs. Ashley
