## DMCS Summer News July 1, 2021

Dear Parents-

Happy July! As you gather and celebrate the 4<sup>th</sup> this weekend, may you be healthy, safe, and grateful for all the blessings we enjoy in our country. It is a wonderful time to help our children understand how blessed we are and to teach them to be grateful to all who have sacrificed for us. God Bless America!

This week has been a busy one with Totus Tuus at our parish and school. I hope that all the students who took part in the week have been enriched by the experience. Growing in the faith and in our love of the Lord is always a good thing!

As our new administrative assistant has begun her work, Amanda has begun to scrub our current database. Please make sure you are notifying school of any change of address, email, or phone numbers. We want to make sure we have the most up-to-date contact information for you. If you want to send in an update, you can send it to [arauenhorst@dmcs.cc](mailto:arauenhorst@dmcs.cc). Thank you for your attention to this matter.

As the calendar turns to July, we get busy making beginning of the year plans. We have made some edits to our dress code. Please see the most updated version attached to this newsletter. We will be

holding our gently used uniform give away the week of July 26-30<sup>th</sup>. We will accept used clothing to give away the week of July 19-23<sup>rd</sup>. You may drop clothing off Monday through Friday between 7:30-3:30. If that doesn't work for you, give us a call and we will make something work. Thank you for sharing your gently used uniform clothing!

When you receive this eNews, I will be enjoying my annual week at the lake with my family. I am the youngest of eight and we have all gathered for the same week, at the same lake resort for the last 32 years. It has been a wonderful opportunity to watch our children grow up and enjoy the feeling of being next door neighbors. Now that my dad is 88 and my mom has been gone for 14 years, I cherish it even more knowing that, like all things, it will eventually come to an end. Through the last year, the things that really matter have been highlighted for me and I want and need to take the time to enjoy them. I hope you are finding time to make memories and enjoy moments with your family. Your children will grow faster than you could ever imagine and before you know it, they will be on to the next chapter of their lives. Take some time to enjoy them today!

Until next week-

Many Blessings-  
Mrs. Ashley
